

Your Verse

Jeremiah 29:10-13 with Rich Clark

INTRODUCTION

Throughout seasons of life, we seek stability. Our current situation is no exception. What provides you a sense of security? Through this series, we want to encourage you to hold onto Scripture. Nothing in this world has the stability that we can find in the Word of God.

NEXT STEPS

1. Talk to your group about the desire for each of us to have a life verse. Encourage each group member to choose a passage that they can memorize and hold onto tightly. If they need some help or some possible suggestions, point them to bridgewater.church/your-verse where we have put together 100 verses from a dozen different topics.
2. Encourage each member to share their life verse through the remainder of the series. Start with those who already know their verse, giving time to those who may need to find one.
